What to do if you have a safeguarding concern in Ark Tindal Primary Academy

1. INTRODUCTION AND ETHOS

Ark Tindal Primary Academy is a community and all those directly connected (staff, governors, parents, families and pupils) have an essential role to play in making it safe and secure. Ark Tindal Primary Academy recognises our moral and statutory responsibility to safeguard and promote the welfare of all children with their best interests at the centre of our work.

Ark Tindal Primary Academy recognises the importance of providing an ethos and environment within school that will help children to feel safe, secure and respected; encourage them to talk openly; and enable them to feel confident that they will be listened to. We are alert to the signs of abuse and neglect and follow our procedures to ensure that children receive effective support, protection and justice.

Our school core safeguarding principles are:

- That school are an important part of the wider safeguarding system for children.
- It is a whole school responsibility to safeguard and promote the welfare of children as its paramount concern.
- All children (defined as those up to the age of 18) regardless of age, gender, ability, culture, race, language, religion or sexual identity, have equal rights to protection.
- All children have a right to be heard and to have their wishes and feelings taken into account.
- All staff understand safe professional practice and adhere to our code of conduct and other associated policies.
- All staff have a responsibility to recognise vulnerability in children and act on any concern in accordance with this guidance.

There are four main elements to our safeguarding policy:

- **Prevention** (e.g. positive, supportive, safe school culture, curriculum and pastoral opportunities for children, safer recruitment procedures);
- **Protection** (by following the agreed procedures, ensuring all staff are trained and supported to respond appropriately and sensitively to safeguarding concerns);
- **Support** (for all students, parents and staff, and where appropriate specific intervention for those who may be at risk of harm);
- **Working with parents and other agencies** (to ensure appropriate communications and actions are undertaken).

This safeguarding policy requires:

- staff **must** read this safeguarding and child protection policy and as a minimum at least Part 1 of Keeping Children Safe in Education (September 2018).
- staff and governors are required to complete the Ark online KCSIE module to assist further to understand and discharge their role and responsibilities.
- staff and governors to complete the e-learning training module on Prevent, produced by the Home Office, to equip individuals with the knowledge necessary to help prevent vulnerable people from being exploited and drawn into terrorism and having extremist views.
- all schools to undertake an annual safeguarding audit process.
- all schools to reference the UKCCIS Guidance: Sexting in schools and colleges, responding to incidents and safeguarding young people (2016).
- all schools to have a safeguarding induction and training plan.
- all staff members are to be informed of and how to access their school's safeguarding and child protection policy and procedures (Appendix A), school's behaviour policy and advice from their Local Safeguarding Children's Board (LSCB).
- all staff members must receive regular refresher training, at least annually, to keep up to date with any relevant safeguarding and child protection developments.

2. SCOPE

This policy applies to all teaching, non-teaching, support, supply, peripatetic, contract staff and third party contractors (whose employees or sub-contractors have access to school premises), governors, volunteers and trustees working in or on behalf of the school, including those from the Ark central team. All references in this document to 'staff' or 'members of staff' or 'adult' should be interpreted as relating to all those specified above. Staff also includes those individuals

who educate pupils off-site and when individuals undertake an educational visit with pupils, unless otherwise stated.

Rather than duplicating content from Keeping Children Safe in Education (September 2018) in this policy, it should be understood that the school will always refer to KCSIE as the benchmark for all safeguarding practice and decision-making.

6. KEY RESPONSIBILITIES

Everyone who comes into contact with children and their families has a role to play in safeguarding children. Schools and colleges form part of the wider safeguarding system for children.

The Ark Schools Trust Board

The Ark Schools Board retains statutory responsibility for ensuring that all legal responsibilities in connection with Safeguarding are discharged. The Board appoints a Safeguarding Link Trustee to act as the link between the Trustees and Executive team.

Ark's Head of Safeguarding

The Head of Safeguarding holds responsibility for overseeing day-to-day safeguarding matters within the network, and will ensure schools have appropriate safeguarding processes, practices and relevant training to safeguard and promote the welfare of children.

The Head of Safeguarding recognises that staff anxiety around child protection can undermine good practice and so has established clear lines of accountability and case management to support staff with that process.

The Head of Safeguarding will ensure that the annual safeguarding Audit process is effectively carried out and report any inadequacies to the Network's executive team, Regional Director school, Principal. This will also form part of the report to inform the Risk & Audit Committee and Trust Board.

Principal/Head of School

The Principal/Head of School will ensure that the policies and procedures adopted by the Ark Schools Board and Local Governing Body associated with protecting children are fully implemented, understood and followed by all staff and adhered to at all times.

The Principal/Head of School will ensure that the DSL and DDSLs are properly supported in this role at a time and resource level.

Designated Safeguarding Lead (DSL) / Deputy Designated Safeguarding Lead (DDSL)

The school has appointed a member of the senior leadership team, as the Designated Safeguarding Lead (DSL). The DSL has the overall responsibility for the day-to-day oversight of safeguarding and child protection systems in school.

The DSL will undergo appropriate and specific training to provide them with the knowledge and skills required to carry out their role. The DSL's training will be updated formally every two years but may have refresher training at regular intervals, at least annually, to keep up with any developments relevant to their role.

Additionally, DSLs knowledge and skills will be updated regularly through a variety of other methods, e.g. e-bulletins and briefings, organising, and participating in conferences, local meetings, other identified training, supervision, Ark network training and Ark DSL hub meetings.

The school has appointed additional staff to deputise for the DSL. The Deputy DSLs have attended appropriate training, which enables them to be fully conversant and to fulfil this role. Whilst the activities of the designated safeguarding lead may be delegated to the deputies, the ultimate lead responsibility for safeguarding and child protection remains with the designated safeguarding lead and this responsibility will not be delegated.

It is the role of the DSL to:

- Act as the central contact point for all staff to discuss any safeguarding concerns
- Maintain a confidential electronic recording system for safeguarding and child protection concerns. Safeguarding Monitor online system is Ark's mandatory system for safeguarding recording.
- Coordinate safeguarding action for individual children. In the case of Children in Care, the DSL will ensure that the designated teacher for LAC maintains the details of the child's social worker and the name of the virtual school head in the authority that looks after the child (DSL liaising closely with the designated teacher).
- Liaise with other agencies and professionals in line with Working together to safeguard children.
- Ensure that locally established procedures are followed and make referrals to other agencies, including Early Help, LA multi agency safeguarding hub and CAMHS as necessary.
- Represent, or ensure the school is appropriately represented at inter-agency safeguarding meetings (including Child Protection conferences).
- Manage and monitor the school's part in Early Help / Child in Need / Child Protection / TAC/ TAS plans.
- Ensure all staff access appropriate safeguarding training and relevant updates in line with the recommendations within KCSIE (2018).
- The Head of Safeguarding and the DSL undertake a safeguarding audit annually with reviews twice a year alongside the Safeguarding Link Governor. The Safeguarding Link Governor and DSL are responsible for reporting to their LGBs regarding the audit twice a year.
- Further details about the role of the DSL can be found in 'Keeping Children Safe in Education' 2018, Annex B.

Local Governing Body (LGB)

The LGB, have read and will follow KCSIE 2018 and will provide independent advice and oversight to their school.

The LGB has nominated a governor for safeguarding named on the front of this document. The nominated governor will undertake independent oversight of school level delivery in safeguarding by having termly meetings with the DSL and being part of the school safeguarding audit process.

Members of Staff

All members of staff have a responsibility to:

- provide a safe environment in which children can learn
- ensure all children are able to develop appropriate strategies to recognise and respond to risk and build resilience
- identify and recognise children who may be in need of extra help, who are suffering, or are likely to suffer significant harm
- provide help for children, where appropriate and reasonable

- take appropriate action to prevent safeguarding concerns escalating and work with other services as needed to safeguard children's wellbeing and maintain public trust in the teaching profession as part of their professional duties
- be aware of and take appropriate action to raise concerns regarding poor or unsafe practice or potential failures in the school safeguarding regime (this may include accessing the school whistleblowing policy)
- maintain an attitude of 'it could happen here' where safeguarding is concerned and to always act in the best interests of the child
- respond to and refer any concerns about children or other members of the community in accordance with this policy
- contribute towards, read and adhering to the school policies

All members of staff at Ark Tindal Primary Academy know what to do if a child tells them he/she is being abused or neglected. Members of staff know to maintain an appropriate level of confidentiality whilst at the same time liaising with relevant professionals such as the DSL and other agencies as appropriate. Members of staff know they must never promise a child that they will not tell anyone about a concern or allegation as this may ultimately not be in the best interests of the child.

The welfare and safety of children are the responsibility of all staff in school and ANY concern for a pupil's welfare MUST always be reported to the Designated Safeguarding Lead.

Children and young people

Children and young people (pupils) have a responsibility to:

- Contribute to the development of school safeguarding policies
- Read and adhere to (at a level appropriate to their age and ability) the schools safeguarding policies and procedures
- Seek help from a trusted adult if things go wrong, and support others that may be experiencing safeguarding concerns
- Develop and take responsibility (at a level that is appropriate to their individual age, ability and vulnerabilities) for keeping themselves and others safe, including online

Parents and Carers

Parents/carers have a responsibility to:

- Read the relevant school/policies and procedures, encouraging their children to adhere to them, and adhering to them themselves where appropriate
- Discuss safeguarding issues with their children, support the school in their safeguarding approaches, and reinforce appropriate safe behaviours at home
- Identify changes in behaviour which could indicate that their child is at risk of harm online
- Seek help and support from the school, or other appropriate agencies, if they or their child encounters any safeguarding concern
- Contribute to the development of the schools safeguarding policies

Parents can obtain a copy of the school Safeguarding and Child Protection Policy and other related policies on request to the DSL and can view them via the school website.

Ark Tindal Primary Academy will always follow up with parents/carers when pupils are not at school. This means we need to have a least two up to date contacts numbers for parents/carers plus one other in case of emergencies. Parents should remember to update the school as soon as possible if the numbers change.

7. RECOGNITION AND TYPES OF ABUSE AND NEGLECT

All staff in school should be aware of the definitions, signs, and symptoms of abuse. There are four categories of abuse:

- Physical abuse
- Sexual abuse

- Emotional abuse
- Neglect

The most up to date definitions and possible indicators and signs of abuse are found in Appendix A of this policy. Staff should also refer to sections 42-47 in Part 1 and Annex A within 'Keeping children safe in education' 2018 and 'What to do if you are worried a child is being abused' 2015.

All members of staff are aware that abuse, neglect and safeguarding issues are rarely standalone events that can be covered by one definition or label; in most cases multiple issues will overlap with one another.

Members of staff are aware that child welfare concerns may arise in many different contexts, and can vary greatly in terms of their nature and seriousness. For example, children may be abused in a family, in an institutional or community setting, by those known to them or by a stranger. An adult or adults, or another child or children may abuse them. Their peers, family members, by unknown, or in some cases unidentifiable individuals, may abuse children via the internet. In the case of honour-based abuse, including forced marriage and female genital mutilation, children may be taken out of the country to be abused. An abused child may often experience more than one type of abuse, as well as other difficulties in their lives.

Abuse and neglect can happen over a period of time, but can also be a one-off event. This can have major long-term impacts on all aspects of a child's health, development and well-being.

The warning signs and symptoms of child abuse and neglect can vary from child to child. Children also develop and mature at different rates, so what appears to be worrying behaviour for a younger child might be normal for an older child. Parental behaviours may also indicate child abuse or neglect, so staff should also be alert to parent-child interactions or concerning parental behaviour's; this could include parents who are under the influence of drugs or alcohol or if there is a sudden change in their mental health.

By understanding the warning signs, we can respond to problems as early as possible and provide the right support and services for the child and their family. It is important to recognise that a warning sign does not automatically mean a child is being abused.

Knowing where children are during school hours is an extremely important aspect of Safeguarding. Missing school can be an indicator of abuse and neglect and may raise concerns about others safeguarding issues, including the criminal exploitation of children.

We monitor attendance carefully and address poor or irregular attendance without delay.

8. SAFEGUARDING AND CHILD PROTECTION PROCEDURES

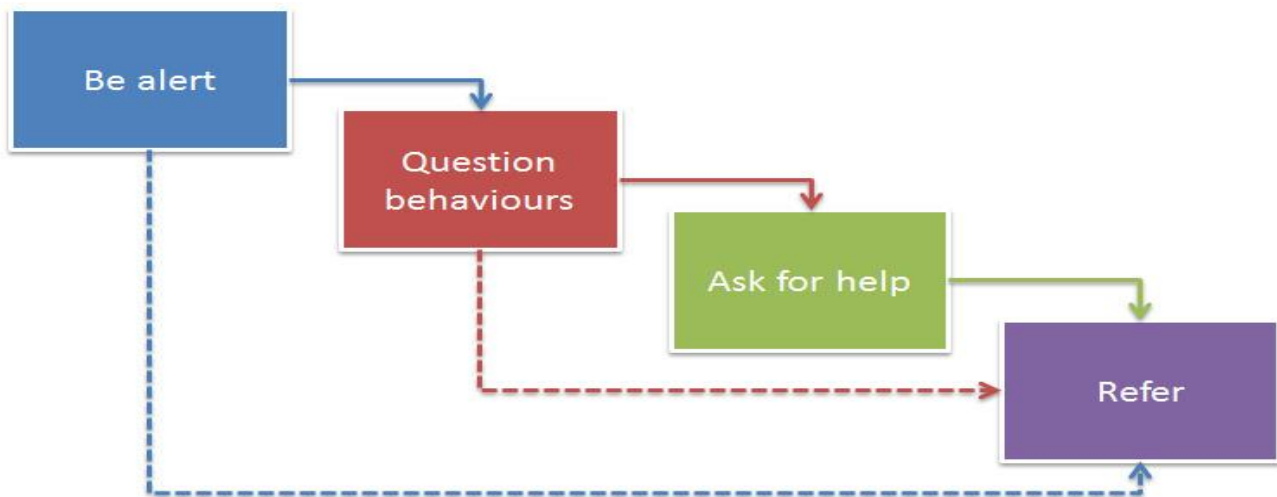

Ark Tindal Primary Academy adheres to their Local Safeguarding Children Procedures. The full procedures and additional guidance relating to specific safeguarding issues can be found on the LSCB website.

Additional guidance for staff includes

- 'What to do if you are Worried About a Child Being Abused' (DfE 2015)
- Information Sharing (2018)

'What to do if you are worried about a child being abused' (DfE 2015) p.12 (s.24) identifies that there are four key steps for professionals to follow to help identify and respond appropriately to possible abuse and/or neglect.

All members of staff are expected to be aware of and follow this approach:

It may not always be appropriate to go through all four stages sequentially and if a child is in immediate danger or is at risk of harm, a referral should be made immediately to children's social care and/or the police.

The role of the school in situations where there are child protection concerns is NOT to investigate but to recognise and refer.

It is the responsibility of the DSL to receive and collate information regarding individual children, to make immediate and on-going assessments of potential risk and to decide actions necessary (with parents / carers in most cases). This includes the need to make referrals to partner agencies and services.

- To help with this decision s/he may choose to consult with the LA multi agency safeguarding hub (MASH) / social care duty team/ Early Help team.
- Advice may also be sought from Ark Head of Safeguarding.
- Issues discussed during consultations may include the urgency and gravity of the concerns for a child or young person and the extent to which parents/carers are made aware of these.

All members of staff are made aware of the Early Help process, and understand their role within it. This includes identifying emerging problems, liaising with the designated safeguarding lead, sharing information with other professionals to support early identification and assessment and, in some cases, acting as the lead professional in undertaking an early help assessment.

If Early Help is assessed to be appropriate, then the DSL will support staff members involved with the family in liaising with other agencies and submitting an Early Help Notification Form. The DSL will keep all early help cases under constant review and will consider making a referral to Social care if the situation does not appear to be improving for the child. New referrals to services will be made using the agreed LA multi agency referral form.

In all but the most exceptional circumstances, parents /carers will be made aware of the concerns felt for a child or young person at the earliest possible stage. In the event of a referral to the LA social care team being necessary, parents/carers will be informed and consent to this will be sought unless there is a valid reason not to do so or it will place the pupil at further harm or risk.

9. RECORD KEEPING

Staff will record any welfare concern that they have about a child on the Ark Safeguarding Monitor online recording tool. Schools may also have safeguarding incident/concern forms for extended staff who do not have a school email address account. These forms are held on the shared drive, in the staff room, in the main office or with the DSL. All referrals must be passed without delay to the DSL. Records will be completed as soon as possible after the incident/event, using the child's words and will be signed and dated.

All safeguarding concerns, discussions and decisions made and the reasons for those decisions will be recorded on Safeguarding Monitor online recording tool and maintained by the DSL. If

members of staff are in any doubt about recording requirements staff will discuss their concerns with the DSL.

Safeguarding records are kept for individual children and are maintained separately from all other records relating to the child in school. Safeguarding records are kept in accordance with data protection legislation and retained centrally and securely by the DS and are shared with staff on a 'need to know' basis only.

The DSL will ensure that school has more than one available emergency contacts for pupils. School should have at least two emergency contacts for every child in the school in case of emergencies, and in case, there are welfare concerns at the home.

The Principal/Head of School will be kept informed of any significant issues by the DSL.

All safeguarding records will be transferred in accordance with data protection legislation to a child's subsequent school/setting, under confidential and separate cover to the new DSL or Principal/Head of School and a receipt of delivery will be obtained.

10. INTER-AGENCY WORKING

Ark Tindal Primary Academy recognises and is committed to its responsibility to work with other professionals and agencies in line with statutory guidance (WTSC 2018). Ark Tindal Primary Academy must ensure children's needs are met and to protect them from harm. All staff will endeavour to identify those children and families who may benefit from the intervention and support of external professionals and will seek to enable referrals, in discussion with parents/carers as appropriate.

Schools are not the investigating agency when there are child protection concerns and the school will therefore pass all relevant cases to the statutory agencies. We will however contribute to the investigation and assessment processes as required, and recognise that a crucial part of this may be in supporting the child while these take place.

Ark Tindal Primary Academy recognises the importance of multi-agency working and will ensure that staff are enabled to attend relevant safeguarding meetings, including Child Protection Conferences, Core Groups, Strategy Meetings, Child in Need meetings and Early Help Teams around the Child / Family. The School Leadership Team and DSL will work to establish strong and co-operative relationships with relevant professionals in other agencies.

11. CONFIDENTIALITY, INFORMATION SHARING AND GDPR

Ark Tindal Primary Academy recognises that all matters relating to child protection are confidential. The Principal/Head of School or DSL will only disclose information about a pupil to other members of staff on a 'need to know basis'.

All members of staff must be aware that whilst they have duties to keep any information about children, families and colleagues, which have, access to because of their role confidential, they also have a professional responsibility to share information if it is necessary and proportionate with other agencies in order to safeguard children.

All staff must be aware that they cannot promise a child to keep secrets, which might compromise the child's safety or wellbeing. Further advice on responding to disclosures can be found in Appendix A of this policy.

DfE Guidance on Information Sharing (July 2018) provides further detail.

Everyone in this school who deals with personal data shares the responsibility for data protection:

- School must appoint a Data Protection Lead to be responsible for guiding the school on data protection matters.
- Senior leaders who manage the 'data ecosystem' should be aware of the content of GDPR in order to oversee how the school is complying with data protection legislation.
- Staff who influence how data is used, processed and secured should be involved in creating high-level data maps and be aware of lawful reasons for processing data and minimising risks.
- All staff should be aware of what personal data is, how it can be used, and any risks involved.

12. COMPLAINTS

The school has a Complaints Procedure available to parents, pupils and members of staff who wish to report concerns. This can be found in the office and on the school website.

All reported concerns must be taken seriously and considered within the relevant and appropriate process. Anything that constitutes an allegation against a member of staff, volunteer or professional will be dealt with under the specific Procedures for Managing Allegations Against Staff procedure within Appendix A of this policy.

13. STAFF INDUCTION, AWARENESS AND TRAINING

All members of staff have been provided with a copy of part one of the “Keeping Children Safe in Education” (2018) which covers Safeguarding information. School leaders will read the entire document. School leaders and all members of staff who work directly with children will access Annex A within Keeping Children Safe in Education 2018. Members of staff have signed to confirm that they have read and understood Part One and Annex A of KCSIE 2018 and this information is kept on the school’s Single Central Record.

Staff and governors are also required to complete the Ark online KCSIE module to assist further to understand and discharge their role and responsibilities.

The DSL will ensure that all new staff and volunteers including teaching, non-teaching, support, supply, peripatetic, contract staff and third-party contractors (whose employees or sub-contractors have access to school premises), governors, volunteers and trustees working in or on behalf of the school, including those from Ark central team are appropriately inducted as regards the school’s internal safeguarding procedures and communication lines. A summary information sheet is available to be given to staff and volunteers to support this process.

All staff members will receive appropriate safeguarding and child protection training (organised by the DSL) which will enable them to:

- **Recognise** potential safeguarding and child protection concerns involving pupils and adults (colleagues, other professionals and parents/carers)
- **Respond** appropriately to safeguarding issues and take action in line with this policy
- **Record** concerns in line with the school policies
- **Refer** concerns to the DSL and be able to seek support external to the school if required

All teaching, non-teaching and volunteers will receive appropriate training to ensure they are aware of a range of safeguarding issues (see definition of safeguarding) and are aware that behaviours linked to the likes of drug taking, alcohol abuse, truanting and peer on peer abuse such as bullying and sexting can put children in danger. The staff training will also include school responsibilities, the schoolchild protection procedures, online safety, safe working practice and external reporting mechanisms.

All staff members will receive regular safeguarding and child protection updates via e-bulletins, staff briefing as required, but at least annually, to provide them with relevant skills and knowledge to safeguard children effectively. All members of staff will be made aware of the school’s expectations regarding safe and professional practice via the staff behaviour policy (or code of conduct) and Using Technology Safely policy which is provided and discussed as part of the induction process.

The school recognises the expertise, which members of staff build by undertaking safeguarding training and managing safeguarding concerns on a daily basis. Opportunity is therefore, provided for all staff to contribute to and shape safeguarding arrangements and the safeguarding policy via involvement in staff departmental meetings.

The DSL will work with the Safeguarding link governor and the Head of Safeguarding to produce an audit report for the Spring 1 LGB meeting. An end of year report to be presented at the LGB Summer 2 meeting to be will provide an annual report to the Governing Body detailing safeguarding training undertaken by all staff and will maintain up to date registers of who has been trained.

Although the school has a nominated lead for the governing body, all members of the governing body will access appropriate safeguarding training which covers their specific strategic responsibilities on a regular basis.

14. SAFE WORKING PRACTICE

All members of staff are required to work within clear guidelines on Safe Working Practice / the school's Code of Conduct.

Children may make allegations against staff in situations where they feel vulnerable or where they perceive there to be a possible risk to their welfare. As such, all staff should take care not to place themselves in a vulnerable position regarding child protection or potential allegations. For example, it is always advisable for interviews or work with individual children or parents to be conducted in view of other adults.

Physical intervention should only be used when the child is endangering him/herself or others and such events should be recorded and signed by a witness. Staff should be aware of the school's Behaviour Management Policy, and any physical interventions must be in line with agreed policy and procedure in which appropriate training should be provided.

- Full advice and guidance can be found in Guidance for Safer Working Practice for Adults who Work with Children and Young People in Education Settings (2015), and Use of reasonable force: Advice for head teachers, staff and governing bodies (July 2013) link to both guidance is in Appendix B of this guidance.

Staff should be particularly aware of the professional risks associated with the use of social media and electronic communication (email, mobile phones, texting, social network sites etc.). Staff should familiarise themselves with advice and professional expectations outlined in Guidance for Safer Working Practice for Adults who Work with Children and Young People in Education Settings and the network policy on Using Technology Safely.

15. STAFF SUPERVISION AND SUPPORT

Any member of staff affected by issues arising from concerns for children's welfare or safety can seek support from the DSL.

The induction process will include familiarisation with child protection responsibilities and procedures to be followed if staff have any concerns about a child's safety or welfare.

The school will provide appropriate supervision and support for all members of staff to ensure that:

- All staff are competent to carry out their responsibilities for safeguarding and promoting the welfare of children
- Staff are able to create an environment where members of staff feel able to raise concerns and feel supported in their safeguarding role
- All staff have regular reviews of their own practice to ensure they improve over time.

16. SAFER RECRUITMENT

Ark Tindal Primary Academy is committed to ensure that all steps are taken to recruit staff and volunteers who are safe to work with our pupils and have their welfare and protection as the highest priority.

Ark Tindal Primary Academy is responsible for ensuring that safe recruitment processes outlined within guidance, including an application, vetting and recruitment process which places safeguarding at its centre, regardless of employee or voluntary role and appropriate pre-appointment checks.

Ark Tindal Primary Academy is responsible for ensuring that the school maintains an accurate Single Central Record (SCR). The SCR is a list of all staff, volunteers and governors and includes appropriate recruitment and training information such as:

- Dates of recruitment
- Identity checks
- Disclosure Barring (DBS) reference number and barred list check, including date check was obtained and details of who obtained it
- Eligibility to work in the UK checks

- Prohibition, sanctions and restrictions and s128 directions
- Two references
- Further checks on those who have lived outside the UK
- Professional qualifications check
- Accredited Safer Recruitment Training
- Annual Safeguarding training, DSL training and KCSIE staff read & understand confirmation

The Principal/Head of School will apply appropriate judgement regarding the need to supervise and escort visitors and will provide them with appropriate safeguarding information.

We advise all staff to disclose any reason that may affect their suitability to work with children including convictions, cautions, court orders, cautions, reprimands and warnings. Additionally, we make all staff aware that they may also be disqualified because they live in the same household as another person who is disqualified.

It is agreed that all governors will undergo an enhanced Disclosure and Barring Scheme check. Further statutory procedures for checking the suitability of staff, volunteers and professionals who work with children see Appendix D of this policy - Ark Recruitment & Appointment Policy.

17. ALLEGATIONS AGAINST MEMBERS OF STAFF AND VOLUNTEERS

Ark Tindal Primary Academy recognises that it is possible for staff and volunteers to behave in a way that might cause harm to children and takes seriously any allegation received.

We understand that on occasions pupils may make allegations against a member of staff however, staff should also take care not to place themselves in a vulnerable position with a pupil where an allegation can be made. If such an allegation is made, the member of staff receiving the allegation will immediately inform the Principal or Regional Director where there is an allegation against the Principal. If the Principal/Head of school is not present, the most senior teacher present **must** then ensure that the Regional Director and Head of Safeguarding are informed as a matter of urgency.

In the event of allegations of abuse, the Designated Officer (LADO) must be informed of all allegations that come to the school's attention and appear to meet the criteria to discuss the content of the allegation.

The school will follow DfE guidance for managing allegations against staff as outlined in Part 4 "Keeping Children Safe in Education (Sept 2018)". This is to be read in conjunction with Ark procedure on managing allegations against teachers, volunteers, staff and professionals.

18. WHISTLEBLOWING

All staff and volunteers should feel able to raise concerns about poor or unsafe practice and the senior leadership team will always take such concerns seriously.

All members of staff are made aware of the school's Whistleblowing procedure and that it is a disciplinary offence not to report concerns about the conduct of a colleague that could place a child at risk.

Members of Staff can also access the NSPCC whistleblowing helpline if they do not feel able to raise concerns regarding child protection failures internally. Staff can call: 0800 028 0285 (8:00 AM to 8:00 PM Monday to Friday) or email: help@nspcc.org.uk.

**Decisions never have to be taken in isolation
considerations should be given to consult**

19. PEER ON PEER ABUSE (Allegations of abuse made against other children)

All members of staff at Ark Tindal Primary Academy recognise that children are capable of abusing their peers. Peer on peer abuse can take many forms, including (but not limited to) bullying, cyberbullying, gender-based abuse, hazing (initiation type violence), sexually harmful behaviour and violence and 'sexting'. The school is mindful that some potential issues may be affected by the gender, age, ability and culture of those involved.

Further information about the school's response to specific allegations of abuse against pupils can be located in the school's Behaviour Management, Anti-bullying, and Online Safety Policies.

The school will take steps to minimise the risk of all forms of peer on peer abuse. We will ensure that appropriate curriculum time is dedicated to enable children to develop an awareness and understanding of abusive behaviour and to ensure that children recognise warning signs and supports of support both within the school and externally (such as the Police community liaison, Child Line etc.).

The school will respond to cases of "sexting" (or Youth Produced Sexual Imagery) in line with the UKCCIS "Sexting in Schools and Colleges" guidance and KSCB guidance.

Further information in relation to the school's approach to "sexting" can be found in Appendix A and C of this policy.

20. SEXUAL VIOLENCE and SEXUAL HARASSMENT BETWEEN CHILDREN in SCHOOLS and COLLEGES

Ark Tindal Primary Academy recognise that the DfE Advice on Sexual Violence and Sexual Harassment Between Children in Schools and Colleges (SVSH). Schools must protect all pupils and engage social care, support services and the police as required. The new guidance also makes it clear that whilst the criminal age of responsibility is ten, schools should nonetheless report incidents of peer-on-peer abuse involving children younger than ten to the police where appropriate, who will adopt a welfare rather than a criminal response.

All staff must recognise that a child abusing another child may have been abused themselves; therefore, the need may be to support the alleged perpetrator.

Full advice and guidance can be found in on Sexual Violence and Sexual Harassment Between Children in Schools and Colleges (SVSH), which was published in December 2017, has also been updated in May 2018 – see Appendix B of this policy.

21. SAFEGUARDING CHILDREN WITH SPECIAL EDUCATION NEEDS AND DISABILITIES (SEND)

Ark Tindal Primary Academy acknowledges that children with special educational needs (SEN) and disabilities can face additional safeguarding challenges as they may have an impaired capacity to resist or avoid abuse. They may have speech, language and communication needs, which may make it difficult to tell others what is happening.

Ark Tindal Primary Academy will ensure that children with SEN and disabilities, specifically those with communication difficulties will be supported to ensure that their voice is heard and acted upon.

Members of staff are encouraged to be aware that children with SEN and disabilities can be disproportionately impacted by safeguarding concerns such as bullying. All members of staff will be encouraged to appropriately explore possible indicators of abuse such as behaviour/mood change or injuries and not to assume that they are related to the child's disability and be aware that children with SEN and disabilities may not always outwardly display indicators of abuse.

Further information in relation to the school's approach to SEND can be found in Appendix A and C of this policy.

22. LOOKED AFTER CHILDREN AND PREVIOUSLY LOOKED AFTER CHILDREN

Ark Tindal Primary Academy recognise that most children living in care are kept safe from harm. However, a small number remain at risk of abuse or neglect. Children may enter care for all sorts of reasons but most enter because they have been abused or neglected. These experiences can leave children with complex emotional and mental health needs.

Many children also move repeatedly in and out of care, or between placements. This can prevent them from forming stable relationships with the staff, adults and peers.

A previously looked after child potentially remains vulnerable and all staff should have the skills, knowledge and understanding to keep previously LAC safe.

Schools must appoint a Designated Teacher for LAC who has responsibility for promoting the educational achievement of registered pupils who are looked after and certain previously looked after children.

The Designated Teacher for LAC will maintain details of the child's social worker and information of the virtual school head in the authority.

Further information in relation to the school's approach to LAC and Previous LAC can be found in Appendix A of this policy.

23. MENTAL HEALTH AWARENESS

Schools recognise that they play a vital role in spotting the early signs of mental health issues and can help children get the support they need.

Some pupils can be more vulnerable than others can to issues such as depression, anxiety, self-harm or eating disorders. School staff need to be vigilant to potential emotional and behavioural problems if there are pupils in school who have:

- experienced abuse,
- bullying,
- bereavement,
- have learning difficulties or
- are in care

Exam time can also be a time when children experience increased levels of stress and may need extra emotional support.

The DSL will ensure at induction and through regular training that staff are aware of the processes for reporting and escalating concerns about mental health. If a member of staff has a concern about the mental health of a pupil, they should speak to the DSL in the first instance.

The DSL may offer that if there is a concern about a child's mental health a Strengths and Difficulties Questionnaire (SDQ) can be completed to assess the child's behaviour which is produced by the DfE non-statutory advice for schools in England Mental health and behaviour in schools (DfE, 2016).

Further information in relation to the school's approach to Mental Health Awareness can be found in Appendix A and C of this policy.

24. ONLINE SAFETY

It is recognised by Ark Tindal Primary Academy that the use of technology presents particular challenges and risks to children and adults both inside and outside of school.

School must appoint a Designated Lead for online safety with appropriate skills, interest and expertise regarding online safety.

Ark Tindal Primary Academy identifies that the issues classified within online safety are considerable, but can be broadly categorised into three areas of risk:

- content: being exposed to illegal, inappropriate or harmful material
- contact: being subjected to harmful online interaction with other users
- conduct: personal online behaviour that increases the likelihood of, or causes, harm

Further information in relation to the school's approach to online safety can be found in Appendix A and C of this policy.

25. CURRICULUM AND STAYING SAFE

We recognise that schools play an essential role in helping children to understand and identify the parameters of what is appropriate child and adult behaviour; what is 'safe'; to recognise when they and others close to them are not safe; and how to seek advice and support when they are concerned.

Ark Tindal Primary Academy will use the curriculum to provide opportunities for increasing self-awareness, self-esteem, social and emotional understanding, assertiveness and decision making so that students have a range of contacts and strategies to ensure their own protection and understand the importance of protecting others. This will include online safety.

Students will be educated at a level appropriate to their age and ability about a range of safeguarding concerns through personal, social, health and economic education (PSHE), tutorials (if appropriate) and through sex and relationship education (SRE). This will include, but is not limited to, bullying (including cyber bullying), radicalisation, child sexual exploitation (CSE), stranger danger, road safety, sexual abuse, neglect, online safety, gender based violence/sexual assaults and 'sexting'.

Further information in relation to the school's approach to curriculum and staying safe can be found in Appendix A of this policy.

26. THE USE OF SCHOOL PREMISES BY OTHER ORGANISATIONS

Where services or activities are provided separately by another body using the school premises, the Principal/Head of School will seek written assurance that the organisation concerned has appropriate policies and procedures in place with regard to safeguarding children and child protection and that relevant safeguarding checks have been made in respect of staff and volunteers.

All external services using school premises will adhere to the lettings agreement.

If this assurance is not achieved, then an application to use premises will be refused.

27. SECURITY

All members of staff have a responsibility for maintaining awareness of buildings and grounds security and for reporting concerns that may become known. We operate within a whole-school community ethos and welcome comments from students, parents and others about areas that may need improvement as well as what we are doing well.

Appropriate checks will be undertaken in respect of visitors and volunteers coming into school as outlined within guidance. Visitors will be expected to sign in and out via the office visitors log and to display a visitor's badge whilst on school site. Any individual who is not known or identifiable should be challenged for clarification and reassurance.

The school will not accept the behaviour of any individual (parent or other) that threatens school staff /security or leads others (child or adult) to feel unsafe. Such behaviour will be treated as a serious concern and may result in a decision to refuse access for that individual to the school site.

Further information in relation to the school's approach to security and coping with a school emergency can be found in Appendix A.

28. ALTERNATIVE PROVISION (AP)

Schools are responsible for the safeguarding of their pupils when they are placed in an alternative provision. Schools should obtain a written statement from the AP provider that they have completed all the vetting and barring checks that are necessary on their staff.

29. LOCAL, NETWORK and NATIONAL SUPPORT SERVICES

All members of staff at Ark Tindal Primary Academy are made aware of the local, network and national support available:

Further information in relation to a list of local, network and national support services can be found in Appendix A of this policy.
