

# Summer in Year 2

## Maths

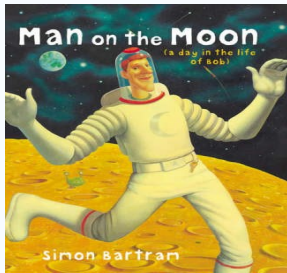

This half term, we will be learning about:

Mass, volume, and capacity. We will also be consolidating topics learnt throughout Year 2. This will mainly be a focus on numbers to 1000 in preparation for Year 3.

## English

This half term, we will be writing:

- A 5 part story based on our text for this half term, The Man on the Moon.
- A non-fiction text writing will be instructions and will be written as part of our Science lessons.

If you have any questions or worries, please do not hesitate to speak to your child's teacher. Either speak to them at the end of the school day or call the school to request a meeting (0121 464 3049).

## Reminders

- Pupils **MUST** have a full **P.E. kit** in school. This includes: plain jogging bottoms, plain t-shirt and plain jumper. Children also need trainers. PE will be indoor on Tuesdays and outside on Fridays.
- Pupils are looking very smart in their **full uniforms**. With the warmer weather please ensure pupils have water bottles, a hat with their name in and sun-cream when necessary.
- Please ensure that you are hearing your child **read at home** as often as possible.
- **Homework** will continue to be given out on a Friday, to be handed back by Wednesday.

## Topic

This half term we will be learning about the solar system, and how it relates to space. Children will be learning why famous space explorers are important and what they have contributed to the global understanding of space and space exploration.

## Science

We will be learning to identify and describe the functions of different parts of flowering plants. Children will also be investigating the requirements of plants for life and growth.
