

Dear Parent/ Carer,

Due to the severe weather and after liaising with local schools and West Midlands Travel, we have taken the decision to close school early today to ensure everyone can get home safely. Whilst the snow is meant to lessen later, there are concerns around the melting snow/ rain freezing and causing dangerous travel conditions later in the afternoon.

With this in mind, pupils will be dismissed at 1:30pm to ensure all pupils will have lunch before they leave. We still plan to stay open tomorrow, but will keep reviewing the situation should the weather deteriorate more rapidly.

Thank you in advance for your support.
