

Ark Tindal Primary Academy

27 November 2020

Dear Parent/Carer,

We are sorry to confirm that a pupil in your child's bubble tested positive for Coronavirus. In line with government guidance, they must immediately self-isolate at home for at least 10 days from when their symptoms started. To reduce the spread, we must therefore close the Early Years (Nursery and Reception) bubble and ask that all other children in the bubble remain **at home** until Thursday 10th December to self-isolate. Further information is available at www.nhs.uk/conditions/coronavirus-covid-19/testing-for-coronavirus/

We expect to reopen your child's bubble on Thursday 10th December and will contact you to confirm this closer to this time.

We will provide home learning materials and encourage you to support your child as best as practicable.

If you are dropping off or collecting your other children from school during this time, please leave your Early Years child at home with another adult if you can. If this is not possible and you need to bring your self-isolating child with you, please come to school at 8:55am and collect at 3:30pm, when the playground will be quieter.

In the meantime, staff are available should you have any questions or concerns and can be reached via email to info@arktindalprimary.org. Thank you for your assistance in ensuring that our pupils and staff remain as safe as possible.

With best wishes,

Mrs R Eaton
Headteacher
