

Ark Tindal Primary Academy

4 May 2021

Dear Parent/Carer,

We are sorry to confirm that someone in Early Years has tested positive for COVID-19. In line with government guidance, they must immediately self-isolate at home for at least 10 days from when their symptoms started until they have recovered. To reduce the spread, we will be closing the Early Years bubble (Nursery and Reception) and children will be asked to **stay at home to self-isolate** until Wednesday 12th May. As Thursday 13th May is currently planned to be an Inset day, children can return to school on Friday 14th May.

The children and teachers in Nursery and Reception did not mix with any other class groups while in school, therefore all other class groups will remain open. Further information is available at www.nhs.uk/conditions/coronavirus-covid-19/testing-for-coronavirus/

Work packs have been sent home to children today. If you require any support with the work, please email reception@arktindalprimary.org and check our website for any updates. The staff team will call you to keep in touch and check that you and your family are well.

With best wishes,

Mrs R Eaton
Headteacher
