

Ark Tindal Primary Academy

8th March 2022

Dear Parents,

Ark Tindal are really fortunate to have formed a partnership with Citizens UK and will be working really closely with their Community Organiser, Tom.

Please read the information below to find out a little bit more about the project.

I'm Tom! I'm a Community Organiser with Citizens UK - we work across the city to empower communities to address the challenges they are facing. I'm excited to be joining the Ark Tindal team for a year.

I will be working with staff and parents to build a team who can listen to the needs of the local community and take action to win the change they want to see. I'm originally from West Bromwich but moved to Birmingham just before the first lockdown. I live down the road in Moseley and can regularly be found in a café or out on my bike.

On the 8th of June, I will be working with a group of parents to do some listening during school pickup time – please do come and find me! This will involve talking to you about the community, and what you think we could improve about it. If you are interested in helping to do some of this listening, come along to the coffee catchup at 2pm.

If you're interested in knowing more or getting involved, please get in touch! My email is tom.snape@citizensuk.org

We're really excited about the project ahead and the difference that we, as a school community, can make!

Yours sincerely,

Francis
