

Ark Tindal Primary Academy

14th May 2021

Dear Parents and Carers,

Having been the Headteacher at Ark Tindal for the past five years, I am sad to announce that I will be leaving the school at the end of the summer term to join Conway Primary School in Sparkhill, Birmingham. Making the decision to leave has been incredibly difficult, but in the last five years, the team and I have secured great improvements and I know that I leave behind me a strong legacy and a team who will be able to continue the good work. All of Ark Tindal's pupils now have access to a strong and broad curriculum taught by skilled teachers and I know they will continue to build on the work that has already been completed.

Gail Peyton, Regional Director, has conducted a robust interview process and I am delighted to be able to announce that Miss Francis was the successful candidate and will begin her new role as Head of School in September. I will be working closely with Miss Francis over the coming months as we complete the handover process and I look forward to seeing the school continue to grow under her leadership. Miss Francis will be strongly supported by our Regional Director and Executive Head, and also by the Ark network, as she continues to develop the school. I am sure that the Academy will continue to go from strength to strength and I look forward to her continuing to update me.

I will deeply miss the children, families and the local community and, as ever, thank you for the magnificent support you offer to your children and the school. As I move on to challenges new, I will always have the wonderful memories of my time at Ark Tindal with me.

Yours truly,

Mrs R Eaton
Headteacher
