

# Ark Tindal Primary Academy

Dear Parents

I do hope you and your family have enjoyed the break over Christmas despite the restrictions.

Following the Government announcement about the reopening of schools yesterday, I am pleased that our school will reopen next week. However, the first day of term will now be delayed to Thursday 7th January so that all staff can be tested before welcoming children back. Breakfast club will restart on January 11<sup>th</sup>.

Children who are classified as extremely clinically vulnerable, or who live with someone in this group, are advised to remain at home. We will be in touch with families next week to discuss how we can ensure that any children who cannot return to school are provided with appropriate support and work to do at home.

The news of a new strain of the virus is naturally of concern to all of us. Please be assured that your child's health and wellbeing is our top priority, and we are reviewing all our safety procedures before children return to school next week.

With every good wish to you all for 2021.

Mrs Rebecca Eaton
