

Ark Tindal Primary Academy

20 December 2020

Dear Parent/Carer,

We are sorry to confirm that someone in Year 2 has tested positive for COVID-19. In line with government guidance, they must immediately self-isolate at home for at least 10 days from when their symptoms started until they have recovered. To reduce the spread, it is essential that everyone in our Year 2 bubble also stays at home to self-isolate until Monday 28th December.

The children and teachers in Year 2 did not mix with any other class groups while in school, therefore other class groups do not need to isolate. Further information is available at www.nhs.uk/conditions/coronavirus-covid-19/testing-for-coronavirus/

If your child does develop symptoms of COVID-19 in the coming days, please make sure that they receive a test for the virus.

With best wishes,

Mrs R Eaton
Headteacher
