Dear Parents and Carers,

On Sunday evening, the Prime Minister announced that primary schools may open on June 1st for pupils in Reception, Year One and Year Six, depending on whether various safety measures have been met.

Whilst we wish to return to school as soon as possible, health, safety and wellbeing remains our priority and so this must be planned for carefully. We are currently planning how we will enact these measures in the safest way for both staff and children and will share these plans once they have been confirmed.

Thank you for your support and patience.

Best Wishes,

Mrs Eaton
Headteacher
