

# Ark Tindal Primary Academy

18<sup>th</sup> June 2020

Dear Parents and Carers,

It is a shame that the weather has taken such a downturn but I hope you remain safe and well.

This month, we began the phased reopening of our school for Nursery, Reception, Year 1, and Year 6 pupils. This has been most successful, and it is lovely to have children back with us learning and playing with their friends.

In light of the latest government guidance, we would now like to invite more pupils back at school before the end of term on **17<sup>th</sup> July 2020**, at the moment this option will be for Year 5 only but we will continue to update you.

We are delighted with the engagement of the vast majority of our pupils whether through our virtual school, in-school or online. A number of parents have asked about books for their children and so next week we will be offering the opportunity for you to change your child's books – please read the details that will be sent out shortly very carefully as we have put a number of restrictive measures in place to ensure that this is safe.

We appreciate that this has been a difficult time for many of you. We will continue to make sure that we call each family every week so please do look out for our calls and if you are struggling then please do ask for our help.

Thank you for your ongoing support and patience.

Mrs R Eaton  
Headteacher
