

Ark Tindal Primary Academy

27th March 2020

Dear Parents,

I hope you are keeping well in these unprecedented times. As you know, schools across the country continue to be closed. Whilst Ark Tindal is closed, your child's teacher will be calling to speak to both yourself and your child. During this call we can help with any queries you have and also support your child with any of the work that they are struggling with or to celebrate with them the work that they have completed. The phone number will not be displayed when we call so please do answer your phone. If we have not been in touch this week, please contact us on the below e-mails to let us know the best number to contact you on.
