

Thursday 7th May 2020

Dear Parents, Carers and Pupils,

I hope you are staying safe and remaining well. All of the teachers are enjoying speaking to you each week and hearing about the learning and activities that you have been doing - the year group web pages look wonderful with examples of your work and I am really enjoying seeing the imaginative things that everyone has been up to. If you have not spoken to your teacher, look out for their phone call each Monday.

I am really pleased to see so many people accessing our virtual school, which you can do by clicking [here](#). If you are having any issues, be it related to school work, free school meal vouchers or if you are a key worker and your child needs a space in school, please get in touch with your year group lead via e-mail.

T.Year1@arktindalprimary.org

T.Year2@arktindalprimary.org

T.Year3@arktindalprimary.org

T.Year4@arktindalprimary.org

T.Year5@arktindalprimary.org

T.Year6@arktindalprimary.org

School remains closed to the majority of pupils as we continue to follow government guidance, but please do keep checking our webpage and social media for updates.

I look forward to seeing you all again - hopefully in the not too distant future.

Best Wishes,

Mrs Eaton
Headteacher
